

Dear Cardell Haskins, Sr.

Congratulations! It is TSS Photography's pleasure to inform you that you have been chosen as this year's Volunteer of the Year for your state! This is a very special award as it recognizes the hard work and dedication of volunteers across the nation who strive to shape the future of our youth through sport leagues, schools, and other organizations throughout the year.

This award is presented to top volunteers from organizations that sought to show how much they value its volunteers. Without the commitment and support of individuals like you, the activities that help grow our communities would not be as successful.

To show our gratitude, TSS Photography would like to present you with a Portrait Package, a commemorative Award Plaque, an ice-cream gift certificate to Baskin-Robbins, and media coverage of your award presentation. Your local photographer will be contacting you within the next two (2) weeks to set up a date and time for your award presentation.

We hope this award represents our lifelong appreciation for all you do in and for our communities year-round. On behalf of TSS and the people you serve, thank you for your above-and-beyond efforts and achievements as a Volunteer of the Year!

Sincerely,

Shawn Francis
Director of Franchise Business Development
